WORK EXPERIENCE

Interviewer, CCI Research
CCI Research, Orangeville, ON

Mar 2021-June 2021

- Conducted survey research for Alberta's education system by communicating with numerous teachers, students, and general public members to gain feedback on existing circumstances
- Managed challenging interactions with open and clear communication to address concerns raised by participants

MENTORING AND VOLUNTEER EXPERIENCE

Office Assistant
Technoarch Inc., Brampton, ON

April 2016-Mar 2020

- Assisted in site measurements and drafting sketches using AutoCad and Sketchup for incoming projects, which increased project efficiency
- Efficiently directed incoming calls to the appropriate parties in English, Hindi, and Punjabi, delivering friendly and effective services

Peer Mentor**Sept 2016-Feb 2020**

Harold M. Braithwaite, Brampton, ON

- Organized and created teaching materials for students on the subject of math, chemistry, biology, and communications technology to help further develop and understand their respective concepts
- Enhanced communication skills by collaborating with students on projects in various initiatives including band, math, and board game club

Student Referee**Sept 2016-Feb 2020**

Harold M. Braithwaite, Brampton, ON

- Organized game schedules for 40 student athletes, including hockey, basketball, and badminton to improve efficiency of after school intramurals
- Managed conflicts that arose when working in a competitive environment to mediate and arguments

Academic Tutor**Sept 2013-Feb 2020**

Great Lakes Public School, Brampton, ON

- Strengthened my communication skills by facilitating weekly tutoring sessions with younger students to teach general math, science, and elementary level French
- Constructively supported students progress in their classes as seen with an overall improvement in test scores from the first session to the last session

Municipal Government Campaign**Sept 2019-Nov 2019**

Brampton, ON

- Improved leadership skills by managing a team of student volunteers advocating for a political party and their policies in the municipal election campaign
- Collaboratively worked with other students and staff members to organize and lead activities such as small gatherings, increasing community engagement

EXTRA-CURRICULAR EXPERIENCE**Graphics Designer, La Plume - McMaster's French Magazine****Sept 2017-April 2020**

McMaster University, Hamilton, ON

- Worked with McMaster's first French magazine to improve representation due to a lack of a Francophone community within McMaster
- Collaborated with a diverse team to address any concerns regarding the graphics and creative design of the first two issues of the magazine, including logos created by Adobe Indesign and Photoshop

Director/Animator, Peel School Film Festival**Jan 2016-March 2016**

Great Lakes Public School, Brampton, ON

- Chosen amongst 50 students to represent Great Lakes Public School in the Peel Film Festival
- Collaboratively worked in a team to develop animations using Adobe Animate, enhancing my project management skills by delegating tasks and orchestrating a timeline to complete the project
